

Architectural Barriers Project Registration Online Receipt

Your project has been successfully registered! However, this is only the registration of the construction project. The building/facility owner is ultimately responsible for ensuring that the registration number, project details and construction documents (in the instance that a design professional is not associated with the project) are mailed, scanned, or hand delivered to the Registered Accessibility Specialist (RAS) for the required review and inspection of the project.

Your project registration number is **TABS2022021359**.
